
Sooyeon Kim, MD, RPVI

1135 116th Ave. NE, Suite 305, Bellevue, WA 98004
W: 425-452-1772

Education

- University of North Carolina, Chapel Hill, NC
Fellowship, Vascular Surgery, 08/2021 - 08/2023
- University of Texas Southwestern, Dallas, TX
Residency, General Surgery, 06/2016 - 06/2021
- University of Kentucky, Lexington, KY
MD, 07/2012 - 05/2016, *Alpha Omega Alpha*
- Murray State University, Murray, KY
BS Biology, 08/2008 - 05/2012, *Summa Cum Laude*, Valedictorian

Manuscripts

1. **Kim S**, Schneider A, Raulli S, Ruiz C, Marston W, McGinigle K, Wood J, Parodi FE, Farber MA, and Pascarella L. "Current outcomes following upper and lower extremity arterial trauma from the National Trauma Data Bank." *J Vasc Surg.* (accepted)

Books and monographs

1. **Kim S** and Pascarella L. "Buerger's Disease In: Upchurch GR, Henke PK, eds. *Clinical Scenarios in Vascular Surgery.*" Philadelphia, PA: Wolters Kluwer; in press.
2. Malekpour F, Gonzalez-Guardiola G, **Kim S**, and Kirkwood ML. "Carotid Artery Stenosis. In: Mukherjee D, Lange RA, eds. *Cardiovascular Medicine and Surgery.*" Philadelphia, PA: Wolters Kluwer; in press.

Oral presentations

1. American College of Surgeons Clinical Congress, 2019 – San Francisco, CA
"Effect of abdominal aortic aneurysm size on mid-term mortality after endovascular repair."
2. Academic Surgical Congress, 2019 – Houston, TX
"A qualitative analysis of the patient and caregiver experience with post-acute care after surgery."
3. International College of Surgeons, 2016 – Troy, MI
"Efficacy and cost effectiveness of iliac stenting in the operating room and catheterization lab."
4. Digestive Disease Week Annual Conference, 2014 – Chicago, IL
"Grip strength is significantly reduced in cirrhotic patients undergoing transplant evaluation with history of smoking."
5. AOA Groves Memorial Student Research Day, 2014 – Lexington, KY
"Determining risk factors for rehospitalization: analysis of 2,444 hepatectomy patients."

Poster presentations

1. Vascular Annual Meeting, 2023 – National Harbor, MD
“Medial Arterial Calcification score is associated with risk of major limb amputation.”
2. Southern Association for Vascular Surgery Annual Meeting, 2023 – Puerto Rico
“Current outcomes following upper and lower extremity arterial trauma from the National Trauma Data Bank.”
3. Society for Clinical Vascular Surgery Annual Symposium, 2021 – Miami, FL
“A single center experience on the management of pediatric blunt aortic injury.”
4. AOA Groves Memorial Student Research Day, 2016 – Lexington, KY
“Cost analysis of iliac stenting performed in the operating room and the catheterization lab.”
5. AOA Groves Memorial Student Research Day, 2015 – Lexington, KY
“Early prognosticators for induction of therapeutic hypothermia following cardiac arrest.”
6. AHA Resuscitation Symposium, 2014 – Chicago, IL
“Assessment in therapeutic hypothermia protocol – a quality assessment initiative and analysis of hemodynamic parameters.”
7. DDW Annual Conference, 2014 – Chicago, IL; *Poster of Distinction*
“Risk factors for 30-day readmissions after hepatectomy: analysis of 2,444 patients from the ACS-NSQIP database.”
8. Center for Clinical and Translation Science Spring Conference, 2014 – Lexington, KY
“Risk factors for 30-day readmissions after hepatectomy: analysis of 2,444 patients from the ACS-NSQIP database.”

Awards

Society for Vascular Surgery – Vascular Annual Meeting travel scholarship, 2019
International College of Surgeons – Research Competition, 2nd place, 2016
Alpha Omega Alpha Medical Honor Society, 2015
UK Professional Student Mentored Research Fellowship, 2013-2014
International Student Tuition Scholarship, 2013, 2015

Community Activities

Watermark Church Urgent Care Clinic, 2019 - 2021
Assist with patient triage and nursing in a free urgent care clinic
Salvation Army Student Clinic, 2012 - 2015
Volunteered as a floor manager and patient interviewer
Surgery on Sunday, 2012 - 2013
Volunteered as an ancillary staff member in a pro-bono surgery program
